

Suburban House

We are proud to support our local community and local organizations, which is why we have a great program exclusively dedicated to fundraising! Our fundraiser is VERY simple. It allows you to raise up to 25% of your net sales.

Our fundraiser is unlike any other fundraising program out there! Our unique approach to fundraising is designed to benefit your organization even more so than the typical fundraiser!

Here's how our Fundraiser Program works:

The more money your fundraiser brings in, the more money you will raise! For example, if your fundraiser brings in up to \$799, Suburban House will donate 15% of the net sales to your organization. However, when your organization brings in over \$800 in net sales, Suburban House will donate a higher percentage to your organization! That's right; your organization could receive a donation of up to 25% of your net sales from Suburban House. Cool, huh?

Net Sales	Donation %
\$1-\$799	15%
\$800-\$1499	17.50%
\$1500-\$2499	20%
\$2500-\$2999	22.50%
\$3000 +	25%

**Net sales based on the amount brought in during one day/night. This calculation is not based on total sales from a multiple date fundraiser.*

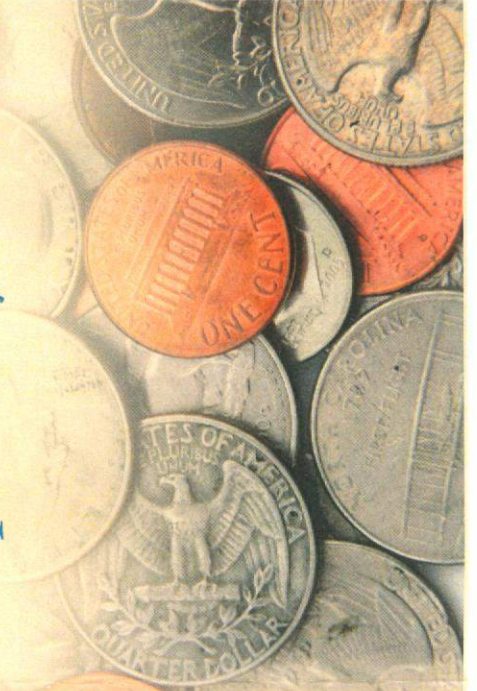

Guidelines:

- Dates must be chosen at least 3 weeks in advance.
- Your organization can schedule its fundraiser for several nights (e.g. Every Tuesday in September or the first Tuesday of every month).
- Fill out all of the required paperwork and return it to Suburban House prior to your event.
- Publicize your event with members of your organization using the flyers we provide to you or create your own promotional material.
- Provide reminders to members leading up to event.
- Arrive at any time on the day of the fundraiser between the hours of 11-9pm to have your organization benefit from sales generated.
- Customers just need to mention the name of your group at the register.
- Flyers are to be distributed prior to the event.

❖ Please do not distribute in or outside the restaurant during the event. Your organization will not receive your percentage.

Remember, the **MORE** enthusiasm you put into promoting your Suburban House Fundraiser- The **MORE** you will get out of it.

Hope to see you soon!
